THE NATIONAL COUNCIL

OF THE CONGREGATIONAL CHURCHES OF THE UNITED STATES.

Organized Oberlin, Ohio, Nov. 17, 1871. Corporation for the National Council of the Congregational churches of the United States, chartered in Connecticut, 1909.

287 Fourth Avenue, New York.

STATEMENT OF FAITH

ADOPTED AT KANSAS CITY, 1913.

The Congregational Churches of the United States, by delegates in National Council assembled, reserving all the rights and cherished memories belonging to this organization under its former constitution and declaring the steadfast allegiance of the churches composing the Council to the faith which our fathers confessed, which from age to age has found its expression in the historic creeds of the Church universal and of this communion, and affirming our loyalty to the basic principles of our representative democracy, hereby set forth the things most surely believed among us concerning faith, polity and fellowship.

FAITH

"We believe in God the Father, Infinite in wisdom, goodness and love; and in Jesus Christ, His Son, our Lord and Saviour, who for us and our salvation lived and died and rose again and liveth evermore; and in the Holy Spirit, who taketh of the things of Christ and revealeth them to us, renewing, comforting and inspiring the souls of men. We are united in striving to know the will of God as taught in the Holy Scriptures, and in our purpose to walk in the ways of the Lord, made known or to be made known to us. We hold it to be the mission of the Church of Christ to proclaim the gospel to all mankind, exalting the worship of the one true God, and laboring for the progress of knowledge, the promotion of justice, the reign of peace, and the realization of human brotherhood. Depending, as did our fathers, upon the continued guidance of the Holy Spirit to lead us into all truth, we work and pray for the transformation of the world into the kingdom of God, and we look with faith for the triumph of righteousness and the life everlasting.

POLITY

"We believe in the freedom and responsibility of the individual soul, and the right of private judgment. We hold to the autonomy of the local church and its independence of all ecclesiastical control. We cherish the fellowship of the churches united in district, state and national bodies, for counsel and cooperation in matters of common concern.

THE WIDER FELLOWSHIP

"While affirming the liberty of our churches, and the validity of our ministry we hold to the unity and catholicity of the Church of Christ, and will unite with all its branches in hearty cooperation; and will earnestly seek, so far as in us lies, that the prayer of our Lord for His disciples may be answered, that 'they all may be one'."

PURPOSE

"The purpose of the National Council is to foster and express the substantial unity of the Congregational churches in faith, polity and work; to consult upon and devise measures and maintain agencies for the promotion of their common interests; to cooperate with any corporation or body under control of or affiliated with the Congregational churches, or any of them; and to do and to promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations."

MEMBERS

"The voting membership of the National Council is made up as follows: 'The churches in each District Association shall be represented by one delegate. Each Association having more than ten churches shall be entitled to elect one additional delegate for each additional ten churches or major fraction thereof. The churches in each State Conference shall be represented by one delegate. Each Conference having churches whose aggregate membership is more than ten thousand shall be entitled to elect one additional delegate for each additional ten thousand members or major fraction thereof. States having associations but no conference, or vice versa, shall be entitled to their full representation'."

The Secretary and the Treasurer are members *ex officio* of the Council.

Provision is made for honorary and corresponding membership.

MEETINGS

Meetings of the National Council are held biennially, the next meeting occurring in the spring of 1927, at Omaha, Nebraska.

NATIONAL COUNCIL ORGANIZATION

As the name indicates the National Council is a voluntary organization of Congregational churches of the United States for the purpose of conference regarding their common interests.

The central function of the National Council is to provide a gathering for useful discussion of questions of concern to the churches and so to furnish inspiration for increased devotion and effectiveness.

Associated with the function of discussion and inspiration is that of the election of officers and agencies for carrying on the common work of the churches.

Specifically the Council provides for gathering and publishing annually the statistics of the churches as given in this Year-Book.

For the purpose of stimulating the fellowship of the churches and of coordinating the various agencies, an office is maintained, with a Secretary supported by such associates and assistants as seem to be needful.

Between the sessions of the Council an Executive Committee chosen by the Council attends to details of business, arranging for the meetings and submitting programs for the same. This Committee is also the agency for correlating the activities of the several Commissions.

THE CORPORATION FOR THE NATIONAL COUNCIL

The Council has caused to be incorporated under the laws of Connecticut a Corporation consisting of members elected by the National Council for the purpose of holding the property of the Council, any trust funds committed to the Council and any funds or property entrusted to it by any Congregational church or organization. The Corporation now holds in addition to smaller funds belonging to the Council the Pilgrim Memorial Fund for the endowment of the pension system under the Annuity Fund for Congregational Ministers.

This Corporation is prepared to serve with full dependability any of our Congregational interests requiring a trustee. (See page 12.)

THE BOARDS OF THE NATIONAL COUNCIL

The Council has caused to be created three administrative boards which are now responsible to it, namely, the Congregational Board of Ministerial Relief, the Annuity Fund for Congregational Ministers, and the Congregational Foundation for Education. For statements of the organization and activities of these boards see pages 10 to 12.

THE COMMISSIONS OF THE NATIONAL COUNCIL

Ad interim committees of the National Council, except the Nominating Committee and the Executive Committee, are designated as Commissions.

The functions of the Commission on Missions are to correlate the administration of the several missionary societies and boards affiliated with the Council in the interest of economy and efficiency, and to promote the appeal for benevolent funds. Through this Commission it is possible for the Council to keep in touch with the wide range of benevolent activity of the Congregational churches. (See page 13.)

The Commission on Evangelism and Devotional Life maintains an office with an employed staff. Its name indicates the general field in which it operates (see page 14). There are seven other Commissions, none of them being charged with executive functions to any extent but rather with study and report, each in its own field, with such cooperation with the executive agencies of the denomination as seems feasible.

A full list of the Commissions is given on pages 8-11.

MISSIONARY SOCIETIES AND THE NATIONAL COUNCIL

All but one of the Missionary Societies antedate in organization the National Council itself. They were organized as self-perpetuating corporations. Technically this is still true, but practically all the general Missionary Societies have as their controlling membership the membership of the National Council itself. Meeting in separate sessions under the direction of their own officers, the membership of each of these Societies is in large majority identical with that of the National Council, so that in matters of common concern action taken by the National Council may usually be taken by each of the societies without further discussion, thus giving unity of operation in matters of common concern and making the Missionary Societies the instruments of the churches themselves.

Associated with the general boards and, through this connection, with the National Council there are separate woman's organizations. For foreign missions the Woman's Boards of Missions, organized under three corporations in the East, in the Interior and on the Pacific Coast, and in the several states Woman's Home Missionary Unions affiliated with the Home Missionary Federation.

A STATEMENT OF SOCIAL IDEALS

Adopted by the National Council of the Congregational Churches of the United States, October 24, 1925.

We believe in making the social and spiritual ideals of Jesus our test for community as well as for individual life; in strengthening and deepening the inner personal relationship of the individual with God, and recognizing his obligation and duty to society. This is crystallized in the two commandments of Jesus: "*Love thy God and love thy neighbor.*" We believe this pattern ideal for a Christian social order involves the recognition of the sacredness of life, the supreme worth of each single personality, and our common membership in one another—the brotherhood of all. In short, it means creative activity in cooperation with our fellow human beings, and with God, in the everyday life of society and in the development of a new and better world social order. Translating this ideal

I. INTO EDUCATION MEANS:

1. The building of a social order in which every child has the best opportunity for development.
2. Adequate and equal educational opportunity for all, with the possibility of extended training for those competent.
3. A thorough and scientific program of religious and secular education designed to Christianize everyday life and conduct.
4. Conservation of health, including careful instruction in sex hygiene and home building, abundant and wholesome recreation facilities, and education for leisure, including a nation-wide system of adult education.
5. Insistence on constitutional rights and duties, including freedom of speech, of the press, and of peaceable assemblage.
6. Constructive education and Christian care of dependents, defectives, and delinquents, in order to restore them to normal life whenever possible, with kindly segregation for those who are hopelessly feeble-minded. (This means that such institutions as the jails, prisons, and orphan asylums should be so conducted as to be genuine centers for education and health.)
7. A scientifically planned program of international education promoting peace and good-will and exposing the evils of war, intoxicants, illiteracy, and other social sins.

II. INTO INDUSTRY AND ECONOMIC RELATIONSHIP MEANS:

1. A reciprocity of service—that group interests, whether of labor or capital, must always be integrated with the welfare of society as a whole, and that society in its turn must insure justice to each group.
2. A frank abandonment of all efforts to secure something for nothing, and recognition that all ownership is a social trust involving Christian administration for the good of all and that the unlimited exercise of the right of private ownership is socially undesirable.
3. Abolishing child labor and establishing standards for the employment of minors which will insure maximum physical, intellectual and moral development.
4. Freedom from employment one day in seven, the eight-hour day as the present maximum for all industrial workers.
5. Providing safe and sanitary industrial conditions especially protecting women; adequate accident, sickness, and unemployment insurance, together with suitable provision for old age.
6. An effective national system of public employment bureaus to make possible the proper distribution of the labor forces of America.
7. That the first charge upon industry should be a minimum comfort wage and that all labor should give an honest day's work for an honest day's pay.
8. Adequate provision for impartial investigation and publicity, conciliation and arbitration in industrial disputes.
9. The right of labor to organize with representatives of its own choosing and, where able, to share in the management of industrial relations.
10. Encouragement of the organization of consumers' cooperatives for the more equitable distribution of the essentials of life.

11. The supremacy of the service, rather than the profit motive in the acquisition and use of property on the part of both labor and capital, and the most equitable division of the product of industry that can be devised.

III. INTO AGRICULTURE MEANS:

1. That the farmer shall have access to the land he works, on such terms as will insure him personal freedom and economic encouragement, while society is amply protected by efficient production and conservation of fertility.

2. That the cost of market distribution from farmer to consumer shall be cut to the lowest possible terms, both farmers and consumers sharing in these economies.

3. That there shall be every encouragement to the organization of farmers for economic ends, particularly for cooperative sales and purchases.

4. That an efficient system of both vocational and general education of youths and adults living on farms shall be available.

5. That special efforts shall be made to ensure the farmer adequate social institutions, including the church, the school, the library, means of recreation, good local government, and particularly the best possible farm home.

6. That there shall be a widespread development of organized rural communities, thoroughly democratic, completely cooperative, and possessed with the spirit of the common welfare.

7. That there shall be the fullest measure of friendly reciprocal cooperation between the rural and city workers.

IV. INTO RACIAL RELATIONS MEANS:

1. The practice of the American principle of the same protection and rights for all races who share our common life.

2. The elimination of racial discrimination, and substitution of full brotherly treatment for all races in America.

3. The fullest cooperation between the churches of various races, even though of different denominations.

4. Educational and social equipment for the special needs of immigrants, with government information bureaus.

V. INTO INTERNATIONAL RELATIONS MEANS:

1. The removal of every unjust barrier of trade, color, creed, and race, and the practice of equal justice for all nations.

2. The administration of the property and privileges within each country so that they will be of the greatest benefit not only to that nation but to all the world.

3. Discouragement of all propaganda tending to mislead peoples in their international relations or to create prejudice.

4. The replacement of selfish imperialism by such disinterested treatment of backward nations as to contribute the maximum to the welfare of each nation and of all the world.

5. The abolition of military armaments by all nations except for an internal police force.

6. That the church of Christ as an institution should not be used as an instrument or an agency in the support of war.

7. A permanent association of the nations for world peace and good-will, the outlawry of war, and the settling of all differences between nations by conference, arbitration, or by an international court.

We believe it is the duty of every church to investigate local moral and economic conditions as well as to know world needs. We believe that it is only as our churches themselves follow the example and spirit of Jesus in the fullest sense—translating these social ideals into the daily life of the church and the community—that we can ever hope to build the Kingdom of God on earth.

These affirmations we make as Christians and loyal citizens of our beloved country. We present them as an expression of our faith and patriotism. We urge upon all our citizens the support of our cherished institutions, faithfulness at the ballot, respect for law, and loyal support of its administrators. We believe that our country can and will make a great contribution to the realization of Christian ideals throughout the world.

THE COMMISSION ON MISSIONS
287 Fourth Avenue, New York City

OFFICERS

- Chairman.* — Rev. LUCIUS H. THAYER, Portsmouth, N. H.
Vice-Chairman. — Rev. ERNEST BOURNER ALLEN, Oak Park, Ill.
Treasurer. — Mr. EDWIN G. WARNER, New York City.
Recording Secretary. — Rev. JOHN L. SHIVELY, Southport, Conn.
Secretary, ex officio. — Rev. CHARLES E. BURTON, New York City.
Secretary of Promotion. — Rev. F. L. FAGLEY, New York City.
Secretary of Laymen's Committee. — Rev. WILLIAM BEARD, New York City.

FUNCTIONS

The several missionary organizations are related to the churches through identical membership, namely, that of the National Council. Naturally there are many details of interrelationship. The Commission on Missions is the agency for this interrelationship. Its work is two-fold:

1. *Fostering economy and efficiency.* The Commission is charged with the duty of recommending processes whereby missionary work may be administered with the greatest economy and at the same time with the highest efficiency. Associated with this function is that of serving as a court of reference for the decision of questions arising between two or more societies.

2. *The promotion of income.* Since 1921 the largest activities of the Commission have concerned the raising of missionary funds. For two years this was done in the name of the National Council. At the 1923 meeting of the Council and of the Societies the members of the Commission on Missions were elected by each of the missionary boards as its representative agency for presenting what is known as "the common appeal" for \$5,000,000 per annum for our total missionary work. At the meeting in 1925 this was enlarged to include its entire promotional work.

ORGANIZATION

1. *Membership.* The Commission consists of fifty-seven voting members nominated one by each of the national societies or groups; one by each self-supporting state and one by each of several groups of states indicated in the by-laws of the National Council, with sixteen members at large, and the Moderator and Secretary of the National Council *ex officio*. With them sit the chief promotional Secretaries of the several Societies, and once each year the Superintendents of the State Conferences.

2. *The Executive Committee.* The details of the work of the Commission are carried forward by a carefully selected Executive Committee, with whose operations the entire Commission is kept in touch by the circulation of the minutes of each meeting.

3. *Promotional Council.* For carrying out the plans of the Commission a Promotional Council has been constituted consisting of five representatives of the foreign boards, five of the home boards, together with three State Superintendents, the Promotional Secretary of the Commission, the Secretary of the National Council and the Secretary of the Laymen's Advisory Committee.

4. *Other Committees.* Chief among the other committees of the Commission are the Survey Committee, a Laymen's Advisory Committee, and a Committee on Missionary Organization charged with studying the questions of further mergers of societies; and the question of the possible consolidation of the missionary magazines. Other committees are appointed as needed.

PROCESSES

1. *Meetings.* The Commission meets ordinarily but once a year. This meeting takes place in connection with the midwinter gathering of the Church Extension Boards, thus economizing in time and travel expenses. The Executive Committee and the Promotional Council meet as occasion requires.

2. *Literature.* One of the important functions of the Commission on Missions is the publication of literature setting forth the entire missionary enterprise of the Congregational churches.

3. *Field Work.* Under the general direction of the Secretary of Promotion a small force of field workers directly employed by the Commission, with the cooperation of the Secretarial forces of the Societies and working through the state organizations, is developing through actual contact with the churches those processes which seem to be most effective for disseminating missionary information and stimulating benevolent contributions. This process is so intimately related to the financial operations of the local churches that this latter interest is combined with the former, thus helping the churches to financial strength.

INFORMATION

The local church may ordinarily secure information directly from its own state office. State workers should address the Commission on Missions at its New York Office. Persons not knowing to whom to write locally may communicate with the Commission directly.

THE COMMISSION ON EVANGELISM AND DEVOTIONAL LIFE

Room 518, 287 Fourth Avenue, New York City

Chairman. — LEWIS T. REED, D.D.*Executive Secretary.* — FREDERICK L. FAGLEY, D.D.*Assistant Secretary.* — Miss ELLA G. SPARROW.*Treasurer.* — FRANKLIN WARNER.

OBJECT

This Commission is composed of six active and eighteen corresponding members elected by the National Council. It is charged by the National Council to do two things:

FIRST: To bring before the churches the denominational program of evangelism and devotional life based on the following principles:

1. That the chief object of the Christian Church is to win men to Christ and to train them in the worship of God and in the service of their fellows.

2. That the pastor of the local congregation is the spiritual leader of the church, and that upon him rests the responsibility of initiating an aggressive program for winning men in his church and of directing that program along practical lines.

3. That the pastor should avail himself of the experience of other pastors and apply to his own work what is of most value to his particular situation.

4. That the pastor can aid the work of his church by selecting effective helpers from his membership, training them to assist in the work of the church and directing them in their efforts.

5. That the church should look upon its opportunity of leading the young people into the worship and service of the church as the prime object of its religious education program.

6. That the church is responsible for the cultivation of the devotional life of all the people in the church, in the home and in private meditation.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers.

PROGRAM

The work of the Commission is grouped around two centers:

I. The Program of Fall Activities.

1. The Fall Rally, to reinterest the members of the church and to enlist new people in the worship and service of the church.

2. Church Visitation of the entire parish.

3. Church attendance campaign.

II. The Pre-Easter or Lenten Program.

1. *The Program of Preaching.* This season is especially appropriate for the presentation from the pulpit of the great fundamental Christian truths; that the people within our churches may understand the foundations of faith, and that those without the church may be led to accept the Christian interpretation of life and join in the worship and service of the church.

2. *The Pastor's Training Class,* which has for its object the leading of young people to study Christian truth and under the pastor's influence to accept Christ as the personal Saviour.

3. *Training Personal Workers.* The pastor may multiply himself by enlisting and training consecrated workers to cooperate with him in the service of winning others to the Christian life.

4. *The Deepening of the Devotional Life.* That the people may have a new loyalty to Christ and a new determination to manifest his love in the life of the world, increased Bible study, meditation and prayer should be encouraged.

5. *The Easter In-Gathering.*

PURPOSE

To make closer, more sympathetic and more mutually helpful the relations of the churches and educational institutions of our fellowship, the National Council created the Congregational Foundation for Education with the following purposes:

1. To promote the ideals of the churches of the Congregational fellowship through institutions of secondary and higher education which possess those ideals and share in that fellowship.
2. To make available the resources of our fellowship for the counsel and encouragement of these institutions in the realization of our common purposes.
3. To establish a permanent fund, the income of which shall be used to aid the upbuilding and maintenance of these institutions.
4. To provide an agency for the study of the educational problems of these institutions and for the administration and distribution of these funds in such ways as shall best further the common interests and ideals of these institutions and our churches, by the maintenance in these institutions of high standards of educational efficiency and moral and religious purpose.

POLICY

In seeking to meet the needs and requests of institutions, the Foundation will have in mind:

1. A careful appreciation of all the values represented in these institutions.
2. The fidelity shown by such institutions in the matter of trusts committed to them.
3. The relation of these institutions to such a general distribution of educational privileges as in scope and geographical location shall both effectively and economically serve the wide interests of Christian education.
4. The approval of local and state Congregational bodies which shall be a necessary condition of assistance.
5. The development of promotional facilities in the Foundation which shall be available for cooperating institutions.

In view of the present emergency in many institutions and the inadequacy of funds immediately available, the Foundation will encourage the following policy for the immediate future:

1. The establishment of cooperative relations between institutions where practicable.
2. The maintenance of certain institutions as Junior Colleges, such arrangement being without prejudice as to the future.
3. The development of such a system of transfers and scholarships as may help to relieve the present lack of adequate funds.

The American Board is the oldest foreign missionary society in America, having been organized June 29, 1810, at Bradford, Mass., during the session of the General Association of Massachusetts. Its charter was received from the General Court of Massachusetts in 1812. Its object, as stated in its charter, was "for the purpose of propagating the gospel in heathen lands by supporting missionaries and advancing the knowledge of the Holy Scriptures." From the beginning it has sought the cooperation of all Christians, without distinction of sect. Various religious denominations have withdrawn from its support, believing they could labor for the same great object more efficiently through denominational boards, but the American Board, still receiving aid from churches and individuals of different names, has become the official board of the Congregationalists.

The one hundred and fifteenth year of the Board was one of unusual anxiety. At the outset, the chief problem was whether to cut down on appropriations, or to maintain them on the level imperatively needed and put added confidence in the donors. It was decided not to reduce the appropriations, but unfortunately the decision was not supported, as a deficit of \$84,694.50; resulted, one of the largest in any year of the Board.

In the field, the opportunity for aggressive missionary work was never greater. In Turkey, though still somewhat unsettled, the work is being carried on in thirteen stations and the future is growing brighter. India is still on a wave of unrest, but eagerly welcomes Christianity. China is in the throes of civil war, but open to the advances of our missionary workers practically everywhere. Japan is showing an increasing spirit of brotherhood toward all peoples and despite certain anti-Japanese demonstrations is more than ever responsive to our missionaries. Mexico still cries out for a larger measure of missionary activity, so long denied them. In the Philippines, independence is in the air politically, but the spirit of union is growing in the native church. Our activity at Mindanao was never more needed. The day is brightening in all parts of the world where our work is being carried on.

New missionaries as well as money are needed to maintain the work. Sixty-seven missionaries were appointed in 1925, an increase over 1924. The Boards are seeking 31 men and 45 women, in all 76 new workers, to recruit the ranks and more adequately to meet the demands of the diversified task.

STATISTICAL SUMMARY

The American Board is responsible for a foreign parish of 60,000,000 people. There are 17 different missions under 12 different flags. The stations connected with these missions number 108 and the outstations 1,735. The missionaries under life appointment are 696, and include 172 ordained men, 71 unordained, 224 wives, and 231 single women. There are 113 associates who are serving for shorter periods, making a grand total of 809 missionaries. The native force of workers is 5,585. Religious services are carried on in 2,588 places. There are 557 organized churches with 93,159 communicants. In 1924, 8,279 members were added to the church rolls. The total church constituency numbers 268,237. There are 1,342 Sunday Schools and 76,144 pupils. The educational work has at the top, 33 theological and training schools with 1,754 pupils, and 9 colleges with 2,748 students. Below these are 106 secondary or middle schools with 13,040 pupils and 1,371 primary and elementary schools with 74,385 pupils. The schools of all grades are 1,519 and the total under instruction is 95,228. The medical statistics show that the Board has 35 hospitals and 44 dispensaries with which are connected 59 physicians and 22 foreign nurses. The record shows that there were 17,452 hospital patients and 157,419 dispensary patients. The total treatments were above 400,000, or about 1,100 treatments per day. The native contributions for church work, educational work, and for all purposes amounted to \$485,510.

The President, *ex officio*: Mr. John R. Rogers, Chairman, Rev. Oscar E. Maurer, D.D., Vice-Chairman; Rev. Ferd. Q. Blanchard, D.D., Secretary; Rev. G. Glenn Atkins, D.D., Rev. Hugh E. WHAT IT IS AND HOW IT WORKS

The Association represents the brotherly helping hand of the Congregational Christians stretched out to the unprivileged groups of America — particularly the American Highlander, the Negro, Indian, Chinese and Japanese, Porto Rican, Mexican and Hawaiian. It remains, as it began, a crusade of Brotherhood standing in a day of race friction and class discrimination for the undiluted application to human relations of Jesus' way of life.

Upon foundations put down in earlier days by the Association there stand today Hampton, Atlanta and Fisk universities, Berea and Piedmont colleges and such well-known enterprises as the Interracial Movement. It is today, as ever, laying foundations — in institutions, in public sentiment, in individual character. It is demonstrating the possibility of mutual cooperation between the races represented among us for the eradication of injustice, discrimination, animosity and prejudice, and for the upbuilding of a truly democratic and Christian civilization.

Its activities as always are mainly in the field of education. With the development of more adequate tax-supported institutions among the Negroes, work with them yearly becomes more particularly high school and normal training, together with college, seminary and university education. In churches, in Sunday schools, through primary schools, high and normal schools, theological seminaries, technical schools, hospitals and field work the representatives of the Association — Christian Ambassadors of Friendship — are developing leadership: to the end that each racial group may *advance in cooperation* with every other toward a more genuine application of the principles of life which distinguish brotherly men of good will.

The great proportion of our graduates among all races now in educational work is significant. So far as is known none of them has ever been in court charged with crime. The degree of self-support achieved is witnessed by the fact that tuitions now paid equal at least five times the original total budget of the association and about one third of the gifts of all the Congregational churches toward the annual budget.

Speaking for his race, Major Moton recently said: "I doubt if there is any of our leaders who has not been directly or indirectly influenced by the American Missionary Association."

Speaking of the past James Bryce, honored Viscount, said: "The Negro has made more progress in the last sixty years than the white race in any six hundred years."

Our achievements under God have been substantial. The challenge of the present hour calls for renewed application to our vital task.

The work of The American Missionary Association is described in various booklets and folders which can be secured from any of its offices.

That the Society commissioned 169 missionaries the first year of its history, 1,367 last year.

That four out of every five Congregational churches were planted by the Society or its auxiliaries.

That twenty Constituent Societies maintain their own home missionary work and sustain an auxiliary relation to the National Society.

CONGREGATIONAL CHURCH BUILDING SOCIETY

In seventy-two years this Society has helped to complete 5,724 churches and 1,584 parsonages. Its receipts have amounted to \$13,375,265. It has helped to secure church property worth over \$40,000,000, and has been an important factor in the nearly 200 per cent growth in our denomination in a little more than half a century.

The total receipts in 1925 were \$708,960 for current use. The contributions for church and parsonage building were \$183,539. The repayments on church and parsonage loans were \$206,870. Conditional gifts brought in \$2,607 and legacies amounted to \$15,604. Repaid grants and sales of abandoned churches, \$99,284. From other sources of income came \$148,575.

Last year the Board voted 229 church grants and loans, and 34 parsonage loans, amounting to \$635,390. Paid on 119 new houses of worship and 32 parsonages, putting into them \$523,528. One hundred and fifty-five applications for grants, church loans and parsonage loans, asking for more than \$454,850, were carried over into 1926 because lack of funds prevented immediate response.

Needs. — At least \$400,000 a year in offerings from churches and their affiliated organizations, and additional funds of two and a half million dollars for church and parsonage loans required to meet greatly increased demands.

CONGREGATIONAL SUNDAY SCHOOL EXTENSION SOCIETY

During 1925 our Extension Workers organized 115 Mission Sunday Schools in pioneer communities. Each summer fifty college young people are commissioned for service in rural and industrial centers.

Since January 1, 1918, 752 schools have been organized and 184 college students commissioned from 85 colleges. Many of these students are now in full-time Christian service.

CITY EXTENSION SOCIETIES

The principle of home rule is extended in Congregationalism to cities through the instrumentality of city organizations known by various names, such as Congregational Unions, City Missionary Societies, Congregational Church Extension Societies, etc.

Under the older practice the individual church in a growing city usually without suggestion from outside undertook to establish branches or new churches, furnishing financial assistance and frequently personal leadership. This practice is still followed to some extent, especially in New England, in some of whose cities there are strong churches holding funds for this purpose.

Under the more recent developments a city organization having affiliation with the state organization comparable to that of the affiliation of the State Conference with the National Home Missionary Society undertakes to express the common life of the group of churches in a given city, particularly in regard to the extension of Congregational enterprises. This Society surveys the city; determines where new churches are needed; provides assistance in securing property and in supporting pastors; gives aid to weak churches, and furnishes all kinds of advice and helpful service. Such societies are found in Boston, Chicago, Cleveland, Columbus, Hartford, Kansas City, Los Angeles, Milwaukee, Minneapolis, New Haven, New York, Peoria, Philadelphia, Seattle, Springfield, St. Louis, St. Paul, Toledo, Worcester, and perhaps in other cities.

Correspondence regarding the work of these societies may ordinarily be held with the State Conference Office. The following societies have paid executive secretaries, to whom correspondence may be addressed:

THE COUNCIL OF WOMAN'S BOARDS OF FOREIGN MISSIONS

Chairman. — Mrs. ERNEST A. EVANS.

Secretary. — Miss HELEN B. CALDER, 14 Beacon St., Boston, Mass.

The Council of Woman's Boards of Foreign Missions is the method of cooperation between the three Woman's Boards. They have divided the country for educational and promotional work among the women and children, the first serving the Atlantic states from Maine to Florida, the second the states from Ohio to Wyoming and Montana, inclusive, and the third the Pacific Coast states with Idaho, Utah, Nevada and Arizona. These boards determine their own budgets, and administer their own work. Their missionaries receive appointment from the American Board and are enrolled as its missionaries. The three Woman's Boards unite with the American Board in the publication of *The Missionary Herald*.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY

615 Congregational House, Boston

Secretary. — Rev. ARTHUR J. COVELL.

This Board is maintained and controlled by the Congregational Conferences of the six New England states. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever they may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country, and of nearly all those in New England. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities or knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of New England, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of New England. Within New England, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the six cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

THE CHAUTAUQUA CONGREGATIONAL ASSOCIATION, INC.

Chautauqua, N. Y.

HISTORY

Congregationalists were the first to establish denominational headquarters at Chautauqua. In 1880, the Chautauqua Assembly tendered the denomination a site for a headquarters building. Among the leaders in the organization group were Dr. Lyman Abbott, Joseph Cook, F. M. Peloubet and President Seelye of Amherst, President Hopkins of Williams, and Dr. Frank Russell. The organization was first called The Chautauqua Congregational Sunday School Congress.

IMMEDIATE RESULTS

The Publishing Society was reorganized as the Congregational Sunday School and Publishing Society and Dr. A. E. Dunning was made National Superintendent.

PRESENT PURPOSE

To provide a summer vacation home, at a minimum cost, to Congregational missionaries, home and foreign, and other Christian workers. Chautauqua is healthful, restful, educational, inspirational and devotional. Very many missionaries, ministers, teachers and laymen have been refreshed and inspired at this wonderful place.

THE MODERN CHAUTAUQUA

The evolution of Chautauqua from a popular assembly whose primary object was the Sunday School to a great *Summer University*, with its School of Religion and missionary institutes, foreign and home, lectures upon science, history, theology, etc., has led to a change in the object of the Congress and to its reorganization as the Congregational Association. Sister denominations have provided ample homes. The Congregational demand has far outstripped the capacity of the original buildings.

PROGRAM

The Association by unanimous vote at the Annual meeting last August, instructed the Trustees to begin at once a campaign for a building worthy of the denomination at a cost of about \$40,000. The Association has the finest lot on the grounds, entirely free from debt and about \$6,000 in cash and pledges toward the proposed building. The Trustees earnestly ask all Congregationalists to assist in erecting a plant at this famous religious and educational center which will compare favorably with those of the other denominations and which will make it possible for the Association to carry out its plans for spiritual, physical, and intellectual training for a multitude of Christian workers. A gift of \$25,000 will entitle the donor to name the buildings as a memorial. Contribution and pledges should be sent to Professor C. W. Savage, Treasurer, Oberlin, Ohio.

THE CONGREGATIONAL TRAINING SCHOOL FOR WOMEN

Incorporated 1909 under the laws of the State of Illinois.

President of Board of Managers. — J. W. F. DAVIES, D.D.

Dean of the School. — MARGARET TAYLOR, A.M.

Purpose. — The training of women for religious work, especially for positions of leadership as Church Assistants, Directors of Religious Education, Student Secretaries, and workers in other lines of Christian social service. Young women from this School are now serving in eighteen different states and four foreign countries. The denomination recognizes that these trained women constitute one of its valuable resources.

Requirements for Admission. — For entrance to the one-year course a college degree is necessary. Completion of a course in an accredited high school is required for admission to the four-year course. For graduation an average of sixteen class hours a week must be maintained. Church school workers and others interested in special phases of religious education may enter without meeting all these requirements and may take fewer hours. Such students are classed as specials and are not in line for graduation.

The School year is divided into three quarters of about eleven weeks each. It is possible for one to enter upon the course at the beginning of any quarter without serious inconvenience. The School keeps its dormitory open during the summer quarter of the University and Seminary and credits certain courses which may be taken there.

Expense. — A registration fee of \$10.00 is paid upon entrance. This serves also as matriculation fee in Chicago Theological Seminary and the University of Chicago, where some courses are taken. Tuition is \$60.00 a year, payable \$20.00 each quarter. Board and room are provided at \$8.00 a week. Some scholarship aid is given.

Location. — The School is advantageously situated on Dorchester Avenue at Fifty-eighth Street, three blocks from Chicago Theological Seminary and near the University of Chicago. It is easily reached from downtown by surface, elevated, and Illinois Central suburban lines.

Faculty and Curriculum. — The School maintains a small but efficient faculty offering courses in English, Psychology, Economics, Sociology, Bible, Church History, Comparative Religion, Christian Fundamentals, Secretarial Studies, Public Speaking, Story-telling, Dramatization, Music, and Handwork. Besides these courses, others in Religious Education are taken in Chicago Theological Seminary and the Divinity School of the University of Chicago. The libraries of the University are open to Training School students.

Chicago is an ideal laboratory for the student of social conditions. The School has ready access to the various philanthropic and industrial centers.

THE AIM of the Seminary is to prepare men for the ministry of the Gospel at home and abroad. It uses the resources of modern scholarship in the service of the evangelical faith in training for various forms of ministerial work.

THE CURRICULUM affords opportunity for a broadly generalized or closely specialized training. A definite number of hours is required in each department of theological study, and beyond this entire freedom of election is allowed, under faculty supervision. The degree of B.D. is given for the completion with special credit of the regular course, and the presentation of an approved thesis.

GRADUATE STUDY is strongly encouraged. The degrees S.T.M. and PH.D. are given under carefully defined conditions. Two fellowships of \$750 each are provided. One of these is awarded each year for two years of foreign study; and two of \$500 each, for one year of post-graduate study in residence.

THE EQUIPMENT includes a library of 124,000 volumes and 56,000 pamphlets, unusually rich in history and liturgics; a museum, a reading room, gymnasium, music room, etc.

ADMISSION. — Candidates for admission must be members of some Christian church and graduates of some college, or having an equivalent preparation. The Seminary is open to women under certain conditions, but on the same requirement of college graduation as men.

EXPENSES. — No charge is made for tuition or for rooms except a nominal fee of \$25 to cover heat, light, etc. Board is provided under the care of the Students' Association at about \$6.75 per week.

SCHOLARSHIP aid is granted for those needing it, varying in amount according to grade-standing.

The Graduate School of Theology provides the opportunity for college graduates to get adequate training for Christian service in the ministry of the church, secretaryship of the Young Women's Christian Association or Young Men's Christian Associations at home or abroad, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained the most friendly relationship with Congregational churches and work.

EQUIPMENT. — In addition to Council Hall, in which are located the theological class rooms and dormitory accommodation for sixty students, the School of Theology has at its disposal the entire equipment of Oberlin College. The College Library contains 250,000 bound volumes and an equal number of pamphlets and all the current social and religious magazines. Approximately 100,000 of the volumes in the library are on theological and closely related subjects. The College Gymnasium, Chapel and Men's Building are also available for the School of Theology use.

TERMS OF ADMISSION. — College graduation and church membership are required. Men and women of any denomination, race, or color are admitted. This year we find eleven denominations are represented in the student body.

DEGREES IN COURSE. — The degree of *Bachelor of Divinity* is granted at the completion of the three-years' theological course, including 90 semester hours of work, nearly one-half of which is elective, chosen from a broad range of courses. The degree of *Master of Arts* may be earned by one year of graduate study in theological or college courses. The advanced degree of *Master of Theology* (S.T.M.) is granted after a fourth year of theological study completed with high credit.

SPECIAL ASSETS. — Students in the Graduate School of Theology have the advantage of being a part of the student body of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library which includes a collection of over 60,000 stereopticon art slides. Living expense is moderate and the generous scholarships and prizes with the opportunities for self-help in the community make self-support comparatively easy.

The School is situated adjacent to the University of California, whose courses are open to students of this school upon certain conditions. The Libraries of the University and of the school afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had than in the Orient itself.

The climate is remarkably even, constantly cool, stimulating, and favorable for study during the entire year.

The Pacific School trains for the practical ministry. The courses are arranged in four groups — pastorate, religious education, social service, missions.

The School is open to students of every Christian denomination, to women as well as to men. A college degree is required for admission to regular standing as a candidate for the B.D. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

The next year begins August 16, 1926.

The College is openly and frankly interdenominational in its attitude and appeal, and students of various denominations are now in attendance upon equal terms. It was organized, however, by Congregationalists and took over undergraduate and foreign work of the Chicago Theological Seminary; its Faculty and Board of Directors are nearly all Congregationalists. It depends primarily for sympathy and financial support on the denomination responsible for its origin and ongoing.

The College is centrally located, adjoining the New First Congregational Church, which offers unusual opportunity for church work and worship. High school graduation is the standard requirement for entrance. The usual seven-year college and seminary curriculum is systematically abridged into four years by selecting the most essential theological and as many college studies as can be provided in the time available.

The ten major branches included are as follows:

- (1) The history, contents and use of the English Bible.
- (2) Preaching, Evangelism and Pastoral Ministry.
- (3) The History of Religion among the Nations.
- (4) Christian Faith and Theology.
- (5) Religious Education and Social Christianity.
- (6) Ancient and Modern History.
- (7) English Language and Literature.
- (8) The Natural Sciences.
- (9) Psychology, Ethics, Philosophy.
- (10) Ecclesiastical and Civic Organizations, Denominational Polity, Missions.

The College offers the degree of Bachelor of Theology (T.H.B.) to those fully qualified who complete the course in a satisfactory manner and present a thesis of not less than five thousand words on a subject acceptable to the committee on graduation. In no case will the College bestow its degree upon students who have not met the requirements — a high school course or its full equivalent, a satisfactory completion of the course of study, and an acceptable thesis.

For information address the PRESIDENT or the SECRETARY, 44 North Ashland Boulevard, Chicago, Ill.

THE MINISTRY

MINISTERIAL STANDING

One becomes a Congregational minister in good standing by being ordained to the Congregational ministry and being received into membership of an association of Congregational churches and ministers. Ordination is ordinarily at the hand of a Congregational council which may or may not be made up of representatives of the churches of the district association. Ministers are also received from other denominations.

In practice candidates for ordination are expected to have received a theological training consisting of a three years' seminary course or its equivalent, following a college education.

THE SEMINARIES

The theological seminaries and schools of religion associated with the Congregational churches are for the most part quite independent of the actual control of those churches, Chicago Theological Seminary being an exception to this general rule. The relationship between the seminaries and the churches, however, is the vital relationship of being members of the same family. Their origin is found in the fellowship of the Congregational churches; their financial foundations have come largely from it; their students are recruited from the membership of the churches and their graduates find their life work in the churches. More and more there is a broadening base in all denominations resulting in the presence in most seminaries of representatives of many denominations.

THE COMMISSION ON RECRUITING

The importance of recruiting and adequate number of the right kind of young men and women for all kinds of Christian work led the National Council to appoint a Commission on Recruiting for Life Service. It is the function of this Commission to keep before the churches the need of constantly holding before the young the challenge of Christian life work.

ANNUAL STATISTICS OF THE CHURCHES

See opposite page for last minute revisions

The statistics are collected by the registrars of the state organizations and compiled in the office of the National Council. They are of date of January 1, 1926, and cover the year 1925. Changes in pastorates are corrected until copy is complete. Such revisions are not involved in the summaries.

Great care is exercised to secure accuracy, but where so many authors and so many details are involved mistakes are practically inevitable. The editors have not attempted to adjust errors and omissions in church reports to make them agree with the reports of the preceding year, but present the data as furnished by the registrars. In the summary tables totals of this year are compared with those of last year to determine losses and gains, which is more satisfactory than to add additions and subtract removals where discrepancies are inevitable.

Persons noting errors are earnestly requested to report the same, especially when the mistakes involve benevolent contributions. Here it should be noted that money received in any national, district or state office to and including January 10, is credited to the preceding year unless otherwise requested.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post-office unless followed by a name in heavy faced type. If this postal word is an adjective it goes with the preceding name, e.g. **Newton, West**, signifying West Newton. If itself a name it supersedes the other, as "Newton, **Auburdale**," meaning Auburdale in the town of Newton.

Reference marks are used as follows:

- * Church has parsonage.
- † Missionary Aid to salary included.
- ‡ Payment for summer work, and the like.
- # Contribution amounts to less than 50 cents.
- \$ For address see alphabetical lists.
- () Figures are inserted from last Year Book.
- () Parentheses around gifts of W.H.M.F. indicate that these totals have been distributed in the other columns.
- [] Brackets around a pastor's name signify "Not a Congregational minister in full standing."
- i Pastor installed by Council.
- r Pastor recognized by Council.
- y Pastor serves more than one church.
- c Includes Cradle Roll.
- h Includes Home Dept.
- e Includes Cradle Roll and Home Dept.
- m Includes Mission Sunday School.
- z Gifts on benevolence to objects similar to Nat'l So. causes.
- Lic Licentiate.
- p Pastor.
- s Supply Pastor.
- v Vacant Pulpit.
- w.c. Without charge.

When a church has failed to report, items of church and Sunday School membership and value of church property are inserted from record in the previous Year-Book and marked ¶. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the returns by the failure of churches to report.

The tables are *not a postal guide to the addresses of ministers*. For addresses refer to alphabetical lists in the back of the book.

Under church "Members" the number "Absent" are included in the figures under "Total." "Rev." under "Removed" includes both discipline and roll revision.

"Other apportionment items." Several groups of Congregational foreign-speaking churches finance and control missionary enterprises for their own people similar to those of the regular missionary societies. Such contributions are reported in totals under "Other apportionment items" and marked z in columns affected. Under the form of organization in Hawaii the Hawaiian Board administers work comparable to that done in the states through the C.H.M.S., C.C.B.S., C.S.S.E.S. and C.E.S., there being no differentiation the total is credited in the column "Other apportionment items" and marked z in columns affected. The column "Other apportionment items" includes also gifts to the Annuity Fund's supplementary account, to the Foundation for Education, to the Miscellaneous account of the Commission on Missions and to other work included within the apportionment of certain states and cities.

Amount of "Home Expenses" includes all salaries, together with missionary aid, operating expenses for church, Sunday School, choir and parish, also cost of new buildings, repairs and improvements paid for during 1925.

"Pastoral units" include the total number of pastors of individual churches; pastors serving yoked fields and vacant churches reporting amount of salary. Endeavor has been made to eliminate part time workers, such as students serving during the summer.

The *Summaries* have been consolidated into two. Important data by states are given in Table I and national data by years in Table II. The less important items appear in the supplemental summary. Most of the matter given at the end of state schedules until 1922 now appears in footings of those schedules.

EVANGELICAL PROTESTANT CONFERENCE. (Directory 64-67.)

¶ The Evangelical Protestant Churches of North America, previously a distinct denomination, were received into membership in the National Council of Congregational Churches in Washington, D. C., October 20, 1925, on the same basis as State Conferences hold such membership. They are therefore reported here as a unit, although located in four states, namely, Pennsylvania, Ohio, Kentucky and Missouri. The shortness of the time in which they have been Congregational churches accounts for the absence of reports on Congregational benevolences.

* Number of subscriptions and amount pledged after deducting cancelled pledges.

** As a partial canvass for the Amnity Fund had been made in Kansas, South Dakota and Nebraska, the organized campaign for the Pilgrim Memorial Fund was deferred to a later date and subscriptions made for the Amnity Fund were credited in the state quota in report to National Council, 1921, as follows: Kansas, \$24,-967.09; South Dakota, \$21,844.55; Nebraska, \$18,022.09.

*** Seven North Dakota notes, amounting to \$7,900.00, are held in payment of subscriptions, but not included in total.
 † These contributions from the churches are used wholly and only to supplement the income of the Pilgrim Memorial Fund in paying annuities to those now becoming annuitants under the Original Plan.

‡ States not appearing in the list of State Boards prefer to act through the National Board. For list of Secretaries and other officers see page 16. The State Boards in Maine, Massachusetts, Michigan, Rhode Island and Vermont send their entire income to the National Board under a cooperative agreement for grants within the State.

† Not including legacies and matured conditional gifts, National Board, \$30,085.08 and State Boards, \$25,541.97; total, \$55,927.05; nor certain unclassified receipts in reports of State Boards, \$746.72, and individual gifts for endowment, National Board, \$11.50.

‡ Not including gifts from the Christmas Fund, distributed through both National and State Boards. In addition to the amount paid in grants, the National Board paid to State Boards, \$24,865.58, and State Boards paid to the National Board, \$27,142.49. Total distribution to pensioners including Christmas Fund, \$233,354.53.

§ Invested Funds: National Board, \$1,353,430.67; income \$66,551.82; State Boards, \$556,678.93; income \$22,441.13. Total income from all sources, National and State Boards, \$319,327.72, including gifts for endowment not available for current expenditure.

The aggregate of grants on National and State Boards is 982 but this figure necessarily includes names appearing on the list of the National Board and also on one or more of the State Boards. Deducting all names appearing more than once, the net is 762 for regular annual grants and 59 for emergency grants, a total of 821. The average regular annual grant, National and State Boards combined, was, for a minister, \$317 and for a widow, \$233.

CONGREGATIONAL CHURCH ASSISTANTS

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles, and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It is evident that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them.

A Congregational League of Church Assistants was organized in October, 1915. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

The following is a list of paid church assistants reported Jan. 1, 1926, irrespective of their membership in the League.

CONGREGATIONAL MINISTERS IN FULL STANDING.

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational ministers or of Congregational ministers and churches.

The following is a compilation of the list furnished by the state registrars.

Ministers not in pastorates are indicated by the inclusion of ordination date after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. Page numbers are given for those whose names appear in pages 5-79 and on the record of 1925 ordinations, page 428.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one association to another as well as for correction of errors.

A dagger (†) indicates that the address has not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *P.em.*, pastor emeritus; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *Tr.*, treasurer; *bus.*, business; *lec.*, lecturer.
